

# VLADIMIR LAZAREVIĆ

## FULLSTACK WEB DEVELOPER

I am currently a fourth-year student at the Faculty of Organizational Sciences in Belgrade, majoring in Information Technology. My current role is CEO and lead developer at HireClass, an innovative learning platform. What I find most fascinating about the IT field is that the learning never stops and it provides endless opportunities for self improvement. Outside of IT, I have a deep passion for playing chess and piano.
